

Mondavi Center Arts Education 2010-11

The Mondavi Center School Matinee program provides exposure to the performing arts for both students and educators. And because the Mondavi Center is part of the UC Davis campus, a school matinee trip guarantees students the perfect opportunity to experience a university campus. We welcome you to join us for the ninth season at the Mondavi Center!

Mondavi Center Arts Education offers Curriculum Guides, CueSheets, and Pre-Matinee Classroom Talks to prepare students for live performances at the Mondavi Center. All matinees support the California Visual and Performing Arts content standards to offer a fully informed and balanced educational experience for students.

Food and drinks are not permitted in the theater during a performance.

Transportation Individual schools are responsible for student transportation to and from the Mondavi Center. Parking is \$6/car. There is no parking fee for buses.

Standards for the Visual and Performing Arts

The Mondavi Center's Matinee Series is a cornerstone of our arts education program and an integral part of the mandate to assist with school district curriculum and build audiences for the performing arts. Through this program, we have taken a leadership role in utilizing the California Visual and Performing Arts Content Standards in our school matinee program materials.

According to the content standards for the visual and performing arts, each California school is encouraged to provide a high-quality experience in all the arts for its students. We can help.

Please join the Mondavi Center for a season of culturally enriching curriculum-based school matinees. As always, CueSheets and Curriculum Guides with classroom activities and other curriculum suggestions are provided online. The following is our assessment of the possible curriculum connections:
